PCSSL Application – Team Availability Dates

Unless checked, our team is available to play PCSSL games on every Sunday from March 4th through May 20th. Please check ALL Sunday's that your team is NOT available. Our team understands that if we are not available for at least 9 Sundays to fit in our 8 games, that at the discretion of the PCSSL Game Scheduler, our team may be required to play two games on any given Sunday.

Please check your team's Spring Break plans and do not commit to playing on a date when you intend to apply to participate in a tournament. Reschedule requests are not possible or practical for many teams and would result in a forfeit loss. In addition, at the league's discretion, failure to field a team would result in being eliminated from award (1st and 2nd place) consideration.

Teams will be given one last chance to update availability in mid-February.

PCSSL Scores, Standings and Suspension Information

ALL SCORES must be recorded on the “MySoccerLeague” (www.mysoccerleague.com) Web Site within 24 to 48 hours of your game. Scores not reported within 48 hours will result in a forfeit. All forfeits and rainouts must be reported.

HOME TEAM COACH or **MANAGER** is required to contact the visiting team coach or manager 48 to 72 hours prior to your game to let the visiting team know of any specific field rules that are in place and to iron out any uniform color conflicts (home team must change colors or don pinnies in the event of a conflict)

Game Cards (10U, 12U and 14U games) and Timesheets (16U and 19U games) are no longer mailed so coaches do not need to provide a stamped envelope. The Center Referee will retain all Game Cards and Timesheets in the event league administrators need to access them. For 16U and 19U games, Timesheets must be signed by the coach at the conclusion of play and any contested playing time must be documented prior to departing the field.

PLAYER or **COACH EJECTION**: If a player or coach is ejected, their player pass will be retained by the Center Referee and along with a properly completed referee report, mailed to:

**Alexander Carlton
PCSSL League Director
10062 Scenic Blvd.
Cupertino, CA 95014**

Coaches will need to contact the PCSSL League Director at fisodd@yahoo.com to make arrangements to pick up a suspended player or coaches' PCSSL pass. An ejected player must serve a minimum one (1) game suspension and additional suspension time may be dictated at the discretion of league administrators. League administrators reserve the right to contact spring tournaments to honor PCSSL suspensions and PCSSL will honor all suspensions reported by spring tournaments.
